

Welcome! Wesley College pledges to help you grow academically, communicate, and excel.

Success in STEM (SIS) Program (No fees): July 27 – August 16, 2019.

This residential program is designed to help you navigate through academic challenges and the SIS programming offers you an opportunity to develop robust study habits.

What do you get?

- Academic tools to succeed in: Biology, Biological Chemistry, Mathematics, Environmental Science and Medical Technology
- An introduction to college-level coursework and guides to developing self-confidence
- A beneficial network of students and professors, as well as, free peer-tutoring
- Early access to campus – gets you settled in before other incoming students

Why attend?

- ✓ In SIS, you will take classes in (but not limited to):
 - Mathematics
 - Chemistry
 - Scientific Writing
 - Time Management
- ✓ Experience college life before it counts toward your GPA
- ✓ Begin your freshman year confidently – you have important academic & social skills
- ✓ Get a step-up at earning additional scholarships
- ✓ Meet with an advisor for early registration for your fall classes
- ✓ Participate in recreational activities – out-of-State trips, campus events, industry visits.
